

TEGERA® PRO 9140

[Learn more](#)

UNIQUE DESIGN PROVIDES WORLD-CLASS DEXTERITY

This glove's Unique design provides world-class dexterity. The hook and loop is on the upper hand for increased mobility. The knuckles have extra flexible material and the Microthan® synthetic leather provides an excellent grip. Ergonomically functions like reinforced index finger, reinforced seams, reinforced fingertips, pre-curved fingers, and a specially designed thumb adds extra usability during long working days for this high-tech professional glove for precision work.
