THIN GLOVE IN HIGH QUALITY NEOPRENE

A high-quality neoprene disposable glove with structured fingertips and a powder-free design. It is suitable for work in areas where there is a risk of chemical splashes. The glove has a thickness of 0,12 mm/4,7 mil and is approved for handling food. Additionally, it features touchscreen functionality, allowing you to use your smartphone or other screens while wearing the gloves. It is very durable, flexible, and comfortable, providing a secure grip and a perfect fit. 100 pieces/pack. 10 packs/carton.
