■ *Jalas*® EXALTER 9925

Low-cut with ventilation and BOA®

This low-cut safety shoe has the features you need for most work situations, such as PTC-textile nail protection, toecap in aluminum and high-grip Vibram Nitrile rubber outsole. The midsole and JALAS FX3 Supreme multilayer insole together with the sock-like construction provide ultimate comfort. Poron® XRD™ shock-absorption prevents injuries to foot and back. The upper has net-covered ventilation holes to keep feet cool and prevent particles from entering the shoes. BOA® Fit System makes it easy to put on and take off the shoe.
